An open letter to our citizens:

At this sobering time of a tremendous number of new COVID19 cases, we, being the County Judge of Liberty County and the Mayors of Cleveland, Dayton, and Liberty, are requesting that our citizens make every effort to conduct themselves in a manner that is in compliance with CDC pronouncements and consistent with all other health and safety protocols. Specifically, we urge you to exhibit behavior that follows these guidelines:

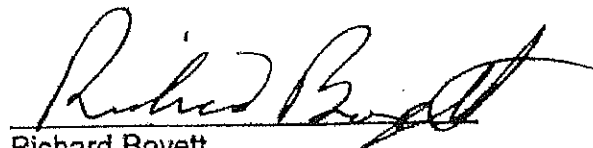

1. When in a public gathering or public space wear a mask that covers your mouth and nose.
2. Practice social distancing by keeping six (6) feet of distance between you and others.
3. Wash your hands often using warm water and an anti-bacterial soap – thoroughly scrub your hands for at least twenty seconds.
4. Strongly consider taking an approved vaccine once it is made available to the general public.

We very much wish for all of you to be safe and free from this deadly virus and by following the four suggestions outlined above you will be providing yourself and those around you with a significant amount of protection.

Thanks for your cooperation.

Jay Knight  
Liberty County Judge

Richard Boyett  
Mayor, City of Cleveland

Caroline Wadzeck  
Mayor, City of Dayton

Carl Pickett  
Mayor, City of Liberty
