

Driveway Permit Application

Applications can be emailed to the permits department at permits@cleveland.texas.gov

Sec. 102-42. - Establishment of line and grade. Upon receipt of an application for permit to construct, reconstruct, repair or regrade a driveway, curb or gutter, or culvert in a public street, the building official shall forward the application to the director of public works who shall establish the line and grade upon which any driveway, curb and gutter, or culvert shall be built. The public works department shall approve driveway, curb, gutter and culvert size, material, and construction method prior to construction, reconstruction, repair or regrade thereof.
