

# Fence Permit Application

Applications can be emailed to the permits department at [permits@cleveland.texas.gov](mailto:permits@cleveland.texas.gov)

*\*The City of Cleveland requires a detailed site plan to be submitted with every permit application. The site plan must clearly indicate the length of the proposed fence and the specific property lines where the fence will be installed.*

*\*For new fence installations or modifications to existing fences, the City of Cleveland may require a property survey. This survey may be requested at the City's discretion to verify property boundaries and ensure proper fence placement.*
