

Electrical Permit Application

Applications can be emailed to the permits department at permits@cleveland.texas.gov

ARTICLE V. - ELECTRICITY [5] DIVISION 3. - PERMITS; INSPECTIONS

Sec. 26-252. - When not required. -No permit shall be required by this division to replace any electrical fixture or appliance that requires no change in the electric wiring for such fixture or appliance.

Sec. 26-254. - Plans, specifications. - On all applications for a permit and inspection under this division where plans and specifications require installation above the minimum standards as set forth in this article, the plans and specifications for such work shall be accompanied with the application for inspection. No deviation may be made from installation described in such plans and specifications without the written approval of the owner or architect.
